Re: DISHWASHER MAGIC® PLUS - EPA Reg. No. 74286-1

OPPTS 830.6317 and 6320 - Storage Stability and Corrosion Characteristics

On behalf of Dishwasher Magic LLC, I am submitting the following data to support the continued registration of the product DISHWASHER MAGIC PLUS, EPA Registration No. 74286-1:

Dishwasher Magic Storage Stability and Corrosion Characteristics, Product Safety Labs, Study No. 10780, September 23, 2002.

These data show that for the 12 month storage period: (1) the product's active ingredient is stable and remained within the certified limits (2) there were no physical changes in the product formulation and (3) that the product container was not adversely affected by the product formulation.

Please call me if you have any questions about this submission.

Respectfully submitted,

James M. Wagner

AGENT FOR DISHWASHER MAGIC LLC

Enclosure - 3 copies of Study No. 10780
